## Annual Springtime Home Maintenance Reminders:

Summer will be here before you know it! With that said, it's time again for all Cedarfield residents to inspect their properties and ensure their homes are being maintained properly in accordance with our community's governing documents. Maintaining the exterior of our homes, including the landscaping, is the responsibility of each homeowner and includes:

- **Landscape Maintenance.** Grass, hedges, shrubs, vines and mass planting of any type on any lot or any portion of the project shall be kept trimmed and shall, at regular intervals, be mowed, trimmed and cut so as to appear neat and attractive. Trees, shrubs, vines and plants which die shall be promptly removed. Edge around sidewalks, curbs and driveways and remove weeds growing in the cracks of driveways.
- **Painting.** Exterior surfaces should be repainted as needed, including shutters and doors. Sun exposure will prematurely fade paint on exterior siding, windows, shutters and doors. Homeowners wishing to repaint their home a different color than what was originally painted should seek prior approval from the Association.
- **Pressure Washing.** Certain sides of homes get moldy and dirty very fast due to lack of sunlight. Please maintain these areas by pressure washing at minimum annually. This should include the removal of mold from all surfaces including decks and masonry surfaces.
- **Mailboxes, Outdoor Lighting.** Ensure outdoor lighting and mailboxes are maintained and in good working order. Replace bulbs and broken fixtures regularly. As necessary, aging mailboxes should also be reviewed for repairs and/or replacement. Homeowners seeking to replace their mailbox with something other than what was originally installed are required to submit an architectural request prior to any changes.
- **Roofs.** As our community is now 25+ years old, roofs should be checked regularly to ensure that they are in good repair. Damage to roofs due to storms should be repaired immediately.
- **Driveways.** Driveways should be free of oil stains and pressure washed if necessary. They should also be clear of any clutter.
- **Hoses, Garden Tools, Etc.** Garden hoses and other garden tools or materials should be stored neatly at the rear of homes, out of view from the street. Planters should be maintained and contain living plants.
- **Exterior Improvements.** Please note that any homeowner seeking to make any exterior alterations or improvements to their home or lot should submit an application to be reviewed and approved by the homeowners association prior to any work being performed.

The Board of Directors, Cedar Mgmt (C1) and Hawthorne Management Company will continue conducting inspections of our community; however, residents with homes that are determined to have specific maintenance issues or problems will be notified by mail and given specific timeframes to correct and repair the identified maintenance issues with their residence. If specific issues are not resolved within the specified timeframes, the Board will unfortunately be calling those homeowners to hearings. If you have specific questions or concerns regarding the maintenance of your home, please contact Hawthorne Management Company at [704-377-0114](tel:704-377-0114) or email [admin@hawthornemgmt.com](mailto:admin@hawthornemgmt.com). (For C1 Residents contact Cedar Mgmt Co., 704-644-8808.)

Thank you in advance for your cooperation and your contribution in helping make our community a pleasant and attractive place to live.

### FINANCIAL REPORT

Cedarfield II financials continue to remain on budget. Overall expenses for the year are only slightly above the budgeted amount, but we have paid an extra month's worth of landscaping and pool management fees due to early billings. Taking that into consideration, expenses are actually under budget. We have about \$8,400 in past due assessments and fees from a total of 44 homes. Letters have begun to go out for those that owe over \$300.
