**Mama**

Mama is a one year old Pitbull Terrier mix who was recently picked up as a stray in Cornelius.

She is friendly and affection and would make a great addition to a family. She has already been spayed and is up to date on all her shots.

**Say**

Hello to Cricket! She is a beautiful 2 year old tortoiseshell tabby cat with unusual markings.

She was turned in to our shelter by her owner that was not able to take her with them to the new residence. Cricket seems very calm and would make a great pet!

Mia is still waiting for her forever home! Could it be yours?

She is a 4 year old Pit Bull Terrier mix, who was surrendered to the shelter, several months ago.

She has a sweet disposition and loves to cuddle and have her tummy rubbed. She has already been spayed and is up to date on her shots. She has a short white coat with adorable brown spots around her eyes and brown ears. She is looking for a loving forever home. Please come meet her. She would make a great companion.

All these pets are lonely and being kept at Cornelius Animal Control. They need a loving family, a warm bed and a second chance at a happy life! Could you be their HERO?

Bello came to our shelter when his owner divorced and her new residence did not allow pets. He is a large orange and white kitty with a sweet personality. He is 3 years old so he is fully grown but still likes to play and chase a string. He was shy and scared at first, but has adapted well to his new temporary home with us! He doesn't mind being picked up and carried, when you scratch his ears he purrs very loudly!

## A couple of notes for our residents:

*important  
message*

**Fall is the perfect time to get our yard in shape. Here are a few helpful tips:**

- Aerate, seed, and fertilize your lawn (this will help with any bare spots). Once you seed and fertilize wait a couple of weeks before you mow again...give the seedlings time to grow securely into the soil!
- Promptly remove any dead plant material located on the lot.
- Regularly mow (about every 10 days during the growing season); **edge** along curbs, walkways, and drive ways; and remove weeds growing in cracks in the driveway, weeds growing in the curb, and in the landscape beds.
- Tall Fescue lawns should be mowed to a height of 2 1/2 to 3 1/2 inches. If your shrubs or trees need pruning, now is a good time to get them in shape.
- Installation of pine needles or mulch of choice to landscape beds will add the finishing touch to beds that are lacking ground cover or just need a fresh application.

Taking care of and maintaining your yard will improve the overall curb appeal of our neighborhood and our property values. Your HOA is dedicated to maintaining and improving your neighborhood amenities. A special thank you to all those owners who regularly take great care of their yards and home.

## Signs Your Dog Is Cold!

Knowing when your dog is cold is key to keeping them comfy and healthy in the winter months. Here are four signs your dog is cold:

- **Hunched and Bunched:** Like us, when dogs are trying to conserve body heat they scrunch up their bodies. They pull their head down, their tail under and they arch their backs. "Miserable" is the caption. Get them inside where it is warm immediately!
- **Shaking:** Like us, dogs tremble and shiver in an effort to get warmer. Some small dogs tremble when nervous as well, so know your dog. But if your dog doesn't normally shake and he is shaking and it's cold? Assume he IS cold. When in doubt, assume he is cold.
- **Lifting One Paw Then Another:** Cold dogs stand on three feet then shift to lift another paw off the ground. This can also be a sign that salt is stinging their feet. Either way, they are uncomfortable.
- **Doesn't Stretch:** Because they are trying to conserve body heat, they don't stretch when they get up from sleeping or come out of a dog house

It is 100% up to us to keep our dogs safe and comfortable year round. If your dog must stay outside in cold weather then get them an insulated dog house that is up to the task! Do not rely on dog coats or sweaters for outside dogs as they can slip off or get wet.
